

Hand to reception on arrival so the attending clinician can read the letter prior to seeing the patient.

Dear Doctor,

Your patient has downloaded this letter because they are requesting a Cervical Screening Test.

This letter is from the Can We website, a project by ACON, funded by the Cancer Institute NSW and aimed at increasing Cervical Screening rates in LGBTQ (Lesbian, Gay, Bisexual, Transgender and Queer) populations. canwe.org.au/cervical-screening

All people with a cervix require regular cervical screening regardless of other sex characteristics, gender identity, gender expression, sexuality or sexual history. Thank you for providing expert clinical care. If you would like more information on LGBTQ health please go to www.acon.org.au

As of 1 July 2022, all Cervical Screening participants now have the choice to self-collect their own Cervical Screening Test sample.

Kind Regards,
ACON
